&
Indutai Tilak College of Physiotherapy

Name of the event: Poster Presentation

Venue: 7th floor Corridor

Date and Duration: 21/03/2025- 11:30 am to 01:00 pm

Name of Coordinating Staff: Dr. Namita Bhandari and Dr. Pranali Chougule

Participating students of the event: Total 36 students divided in 9 groups

On the occasion of World Down's Syndrome Day, Poster Presentation was organized based on the same topic on 21st March 2025 which was held at the 7th floor corridor.

This event aimed to bring out the creative side of the students as well as to enlighten other students with the knowledge about Down's syndrome. Total 36 students divided in 9 groups participated from 1st year to 4th year BPT.

Topics given were as followed: 1st Year- Awareness on Down's Syndrome

2nd to 4th Year- Etiology of Down's

Diagnosis of Down's

Clinical Features and associated
complication

Importance of Physiotherapy in
Down's

Disability evaluation in Down's

Genetic Counselling in Down's

Judges: Dr. Rutuja Kowale, Aishwarya Ghodke, Dr. Neerja Deshmukh, Dr. Aditi Shah

The event started with announcement of instructions to the students about the criteria for judging and 2 students from each group represented their posters. Judging was done on the basis of following 4 criteria: Creativity, Informative, Relevant and Response ability each for 5 marks, with total of 20 marks.

Students participated with great enthusiasm and showcased their creativity by crafting informative posters, and they successfully articulated their ideas when questioned by the judges. These posters were also showcased to the non-participants to enhance their knowledge about the condition.

Lastly, the event was successfully concluded with announcement of the winners and appreciation of all the participants by coordinating faculties and judges.

Overall, students tried to express their valuable insights through posters and this event gave them confidence to showcase their talent.
