6. DR. MAYURI BURKUL (PT)

Tilak Maharashtra Vidyapeeth's Jayantrao and Indutai Tilak College of Physiotherapy Pune, organized a series of events to instill a sense of patriotism and civic responsibility among students. The campaign was marked by a rally and an essay competition, both held on the 14th of May, 2025.

The day commenced with a rally that began at 9:30 AM from the Main Building of Tilak Maharashtra Vidyapeeth. The students and faculty members assembled with banners and slogans emphasizing the importance of putting the nation above self. The rally route spanned the TMV Colony and culminated in front of the Main Building, symbolizing unity and shared national values.

The objective of the rally was not only to raise awareness about the significance of patriotism but also to inspire young minds to engage actively in nation-building. Faculty members accompanied the students and guided the procession, ensuring discipline and coordination throughout the route. The event witnessed enthusiastic participation from undergraduate students across all four years of the physiotherapy program.

In the afternoon, an essay competition was organized on the fifth floor of the Physiotherapy Department. The topic for the competition revolved around the theme “राष्ट्र प्रथम - A Campaign in Support of Nation First.” Students from first to fourth year participated and presented their thoughts in well-articulated and thought-provoking essays. The competition aimed to encourage critical thinking and self-reflection among students on how they, as future healthcare professionals and responsible citizens, can contribute to the nation’s progress.
